

The Oxfordshire Construction Training Group

- The Benefits -

In existence for 25+ years, a cost-effective 'one-stop-shop' concept offering reliable advice on all aspects of both construction and related 'soft skills' training solutions, designed to include:

Strategic, Leadership, Management & Supervisory development

Technical Skills (including Modern Methods of Construction)

General H&S (CSCS) and Plant (CPCS & NPORS)

First Aid at Work; Fire Prevention & Management; Mental Health & Wellbeing

Complementary branding offering a powerful endorsement at the project tendering stage

A dedicated Training Officer, with access to a preferred list of accredited providers

Significant Member discounts on related Health & Safety, First Aid, Fire and Plant training

Access to subsidised training packages and CITB construction-specific funding

Group-owned Special Projects Fund for supporting non-construction specific training

Sharing of skill-based resources for Apprentice training and learning – evidence-based portfolio development, leading to full qualification and accreditation

Annual Apprentice Wage Rate reviews and recommendations

Annual Apprentice of the Year Awards (Merit, NVQ Levels 2 & 3), each October, based on academic achievement, commitment to the employer, colleagues and client

Direct links to local Colleges of FE, Skill Centres and Trade Associations

Employment and Occupational Health guidance

HR support and advice, plus recruitment, training planning and evaluation

Lean on a proven resource relating to employment, business improvement methodologies, CITB Grant claims etc.

Member-specific website access, with a reliable central point of reference

Assistance with maximising the return on annual CITB Levy, via Grant Claims and funded initiatives

A cohesive and collective local voice for the industry

Focused Industry and Trade networking forum, complemented by guest speakers. A good opportunity to 'showcase' your products and services

Annual Membership Fee (from January to December 2024) = £200.00 + VAT
